Aztech Business Consortium Ltd. (Aztech or ABCL or ABC Ltd.) was incorporated and registered under 'The Companies Act (Act XVIII) of 1994 under Registrar of Joint Stocks Companies & Firms, the People's Republic of Bangladesh'. Aztech is being one of the most versatile Sourcing and Indenting Agent for Defence & Government/Semi-government/Private Sectors, Importer, Representing Manufacturer(s)/Supplier(s), Exporter, Contract manufacturers and Consultant(s) offering almost everything to the buyer/seller across the world under one roof and in accordance with the International Standard. Aztech is consisted by highly qualified, experienced, professional management and staff accelerated by latest machineries/technology, skilled workmanship with substantial marketing. The proficient management of the company was able to gain the confidence and won the respect of the customers in terms of quality and timely delivery. Aztech is one of the fast growing and trustworthy company in Bangladesh; we have been enjoying a high reputation from our clients and wish to express profound thanks for their patronage. With the backup of our expert technical staff, we keep making constant efforts to meet the expectations of our clients.

Our Management is the Think Tank of the organization with a clear vision to combine spirit & hard work as a core factor of success. In their long journey they have benefited both the domestic customers and foreign suppliers with a sense of responsibility, sincerity & reliability.

Our Motto

- > To be a well-integrated and comprehensive marketing and trading house offering package and concept selling
- > To achieve a systematic and well balanced growth through increased customer participation and market expansion
- > To make an impact on international and domestic markets by providing newer products and services according to customer needs
- > To use our in-depth knowledge of the market to ensure a fair deal to both customers and principals
- > To provide personalized service, on schedule deliveries and reliable quality at competitive prices at all times
- > To partner our customers with relevant know how, thus growing the local market in client countries
- > *To build sustainable relationships with our customers, beyond the realm of business, creating lasting inter-personal bonds that convert customer relationships into family bonds all across the globe*

Mission / Vision

- > Our Mission is to develop and sustain productive business partnerships with our Customers and our Principals.
- > Our values drive us at all time to be an ethical, loyal, and reputable business partner to all our Customers and the Principals we represent.
- > To create optimum value for all our stakeholders by adhering to the highest ethical standards.
- > To pursue customer satisfaction relentlessly through deliverance of high quality products and services.
- > To strive for providing employment opportunity to reduce unemployment.
- > To create centers of excellence in industrial and service sectors through Joint Ventures.
- > To contribute to the well being of the society by acting as a responsible corporate citizen through valuable *Corporate Social Responsibility (CSR)* activities.

Philosophy and Corporate Values

Philosophy

Customers lie at the heart of the standard of excellence that AZTECH represents. Our **strong business relationship with customers** and the sharing of common goals are key factors for a beneficial partnership. Our customer's needs and interests are our own priority. We **focus on the fundamentals** and we care for every detail.

Corporate Values

At AZTECH we are committed to high standard of excellence and business ethics. Our corporate values are:

«Continuous development and improvements to achieve excellent business results»

- Continuous Progress/Innovation
- Continuous research for new ideas to cover every need of the market
- High performance
- High quality standards

«Key to our success is our people»

- Team spirit
- Passion and enthusiasm for work
- Integrity

«To set corporate social responsibility in daily practice»

- Socially responsible development
- Respect the environment

We had long experiences towards marketing of superior quality and creatively designed products all over Bangladesh and abroad. We are catering the needs to meet the market demands by importing directly or by participating through competitive bid of International Tender/Bid (ICB) on behalf of Manufacturer, Exporters and Trading Houses from home and abroad. We are representing few renowned manufacturers from all over the world. We source new markets and clients for their quality products in Bangladesh, especially in the field of

Pharmaceuticals (Please visit <http://www.az4pharma.biz> for more details)

Healthcare and Medical (Please visit <http://www.az4healthcare.biz> for more details)

Defence (Please visit <http://www.az4defence.biz> for more details)

Fashion wears for Garments and Leather Goods (Please visit <http://www.az4fashionwear.biz> for more details)

Customer Services

As we understand the pressure put on the healthcare industry professionals for urgent and top-quality results, we provide our clientele valuable and prompt support and a better understanding of how to access and use our systems and technology. We promise to provide technology solutions, and most importantly to listen and work with our customers for exceeding their expectations. Service and customer support before, during and after the sale are of high importance for us.

Provided services:

- Studies of needs and laboratory planning
- Installation
- Training
- Application
- Preventive maintenance
- Repair
- Calibration
- Equipment assessment/assessment (DQ, IQ, OQ, PQ)
- Performance Verification

AZTECHserve

Is a centrally driven department, running by qualified Engineers and Application Specialist provides outstanding service by keeping functionality with optimum performance, efficiency and value of your investment. Our highly skilled Specialists undergo continuous training to provide outstanding service support and to be ready to take responsibility for any service task required. This allows us to provide the best possible support for your daily operations.

Always At Your Service

- Operating a highly competent and motivated Service Team and Logistic Department
- Carefully scheduled low-cost preventive maintenance instead of risking expensive corrective maintenance when you least need it
- Maintaining and upgrading your machines at regular intervals, if and when needed

You Look After your Machines, We Look After You!

- We continuously qualify and train our engineers and application specialist to provide first-level technical support by phone and at your site when needed
- Organizing efficient training for end users and technical people
- Enabling your staff to professionally handle the operation and regular maintenance of your investment

We Won't Let You Down

- Use only dedicated certified tools to insure accuracy, precision and best performance of your equipment
- Offering a wide range of flexible and targeted service and genuine spare parts and consumables
- Respond to customers in a timely, efficient and responsible manner
- To maximize the value of your investment, you can sign up for one or more of the standard, optional and/or customized services, if needed like:
 - Service contract
 - Extended warranty contract
 - On call tariff contract

Preventive Maintenance: Repair: Parts: Consumables: Upgrade: Documentation: Relocate: Renovate

Warehouse

The warehouse is our newly renovated space for storage of products packaging and sorting.

Defence <http://www.az4defence.biz>

AZTECH was built on the principles of sales, marketing, promotion of quality products and providing trustworthy services. It started business with number of reputed manufacturers and International principals. Its diversified product range continues to grow by following trends, improving standard products and listening to the customer. It participates in the tenders of government and public sectors. We have very good experience and a dedicated team to take part in international and domestic or local tender. We are specialized in international Tendering business. AZTECH is engaged in supplying different commodities as per DGDP's requirement and Major Assemblies/spares from different sources but not enough to meet the Target. We are looking for the genuine manufacturer/Supplier capable to support different Spares/Component/Accessories for Aircraft/Helicopter including Overhauling of Engine & Major repair Work.

Our services are:

- Supply of accurately researched information on Bangladesh government and armed forces requirements;
- Market intelligence on future defence procurements and competitors in Bangladesh;
- Preparation, organization and presentation of technical data to end users;
- Guidance and advice on regulations and laws in relation to defence procurement in Bangladesh;
- Assistance with all in country administration, organization of meetings and presentations.

Our objective is to act as a bridge between the international manufacturers and the Bangladeshi customers.

- Participate in all types of tendering process of DGDP (Directorate General of Defense Purchase), BN (Bangladesh Navy), BAF (Bangladesh Air Force), Military Farms, COD (Central Ordnance Depot), CMTD (Central Mechanical and Transport Depot), CMH (Combined Military Hospital), RAB (Rapid Action Battalion), BGB (Border Guard Bangladesh), Bangladesh Police, Bangladesh Ansar, Government/ Non-Government Organizations/Installations, Autonomous/Corporate Bodies, International/Multinational Organizations etc.

Procurement List for Defence Sector :

- Trailer Fire pump
- Freezer Van
- Light Recovery Vehicle
- Medium Recovery Vehicle
- Hydraulic Mobile Crane
- Tower Crane for Dock & Building
- EOT Crane
- Fork Lift
- Truck Transporter
- Fuel Bowser
- Marine Type Diesel Generator for ship 50-250 KW
- Marine Propulsion System for ship
- ICABA Set for ship
- Navigation Radar
- Gyro Compass
- PA System Marine type
- General Broadcast System Marine Type
- Inflatable Boat Rigid Hull
- Inflatable Life Raft
- Power Trolley (Platform Truck)
- Dehumidifying plant (explosive proof)
- PCB Repair station
- EW Simulator
- Diver Decompression Chamber
- Oxygen bank system

- Replacement of Marine Propulsion Engine & Machinery (Re-Engine)
- AC plant for ship
- H.P. Air Compressor for ship
- H.P. Air Compressor Skid Mounted
- Fire pump for ship
- Submersible pump for ship
- Fire Crush Tender
- Fire Truck
- Emergency Tender
- Foam Tender
- Rescue Vehicle
- Recovery Vehicle
- Water Truck
- Wheel loader
- Excavator
- BASCCA Set for ship
- Under Water Metal Detector
- Hydraulic Test Unit for Aircraft & Helicopter
- PCB Repair Station for Aircraft
- Helicopter Simulator
- Flight Simulator
- Aircraft Refueller
- Ground Power unit (GPU)
- Arresting Barrier Net
- Auto Weather station (Digital)
- Endoscope/Boroscope
- Spares for Mig-28, Mig-29, L-39Z, AN-32, T-37B, MI-17 Hel, Bell Helicopter.
- Night Vision Goggles
- Night Vision Binocular
- Bullet Proof Jacket

Procurement List under Aviation Sector :

- Aircraft Towing Tractor
- Baggage Tow Tractor
- Hi-Lift Catering Van
- Aircraft Ground Power Unit
- Container Dolly & Pallet Dolly
- Belt Loader
- Pallet Loader
- Aircraft Water Cart
- Aircraft Baggage Conveyor System
- Aircraft Start Cart
- Baggage X-ray Scanning machine
- CCTV & DVR System
- Fire Protection & Alarm System
- Flood Light High Mast
- Air Conditioning & Ventilation system
- Flight Information & Display system
- Passenger Boarding Bridges
- Spare for DC-10, Boeing, Airbus & F-28

Bangladesh Air Force (BAF)

- Fighter Air Craft of Russia/China
- Trainer Aircraft Czech/USA
- Transport Aircraft- USA/Russia
- Helicopters of USA/Russia
- Different Radar Spares of USA/UK/USSR
- Different Microwave Link equipment and Spares
- MUX equipment for installation with PABX of MW
- Different Radio equipment of different origin & accessories
- Fighter Aircraft Training Simulator
- Training Aids equipment for training to Pilots of Technical People

Aircrafts, helicopters and its engines, components and spares, Organize schedule maintenance checking and repair & overhaul, support for Bell-206/212, Cessna- all models, Lockheed- C 130, Ground service equipments, Aircraft-Helicopter Structural Overhaul and Engine Repair/Overhaul, Supply & Repair MRB, Rotor Hub, R/D components & Supply Aircraft-Helicopter Spares & equipment : Specially Bell series Helicopter, MI series Helicopter MI-17, MI-171, MI-171SH, MiG-29ac, AN-32ac, F-7, A-5IIIac, FT-6ac, C-130, L-39ac etc., Aircraft spares parts (C-130B, Bell-212, 206, 204, L-39, F-7, FT-7, Cessna, MI-17, T-37 etc), . We would like to deal Ground support equipment, Mover, Firefighting vehicles, Aircraft Refueled, Air charging Truck, Radar, ATE, Simulator, Workshop equipment, Aero Lubricants, Spares of Boeing, Air Bus, DC10, F28, C-130, Bell Helicopter etc.

Bangladesh Army (BA)

- Vehicles, Armored Personnel Carriers, Tanks and its spare and battery.
- Signal, electronics, electric equipment and its spares specially weapon locating radar, night observation devices, sound ranging equipments etc.
- Factory and inspection equipment.
- Clothing, Barrack, tentage, hospital equipment and related other equipments.
- Machine and ground equipment.
- Building materials, iron materials and general engineering equipments.
- Spares, repair & overhaul support for Bell-206/212, Cessna- all models.
- Radio Communication Equipment: HF, VHF, UHF, NDB, Repeater Station with Walkie-Talkie, its spares & Accessories.
- Digital Telephone Exchange
- Field Telephone Exchange 40 Line, 20 line & 10 line Capacity
- Night Vision Goggles Military Binocular
- Weapon Locating Radar (WLR) Radio Relay System (RR)
- Tank modification & sales of various ranges & type of Armament item.
- Modification in different Power Supply developed by – Local Manufacturer.
- Eye Protection Goggles
- Field Telephone Cable

- Aviation Smoke Generator
- Spares, Boards /Cards for Airplanes & Helicopters of USA Origin etc.

All Armament items, Signal & Security items; also deal with ground items; like Army Special Vehicles, Mine clearing devices, Binocular, Command post vehicles, Mine Detector, EOD & IEDD, ISR, NBC equipments, Warfare simulator including all other defense items.

Bangladesh Navy (BN) & COAST GUARD:

- IFF Radar for BN Ships & MPA
- Binoculars for Naval Ship
- Pyro technique item
- EW Elint Commint System
- Engine Generator Spares for Ship
- Hydraulic Press

Spares of Naval vessels, Naval aircrafts, helicopters and its engines with overhaul facilities, Patrol Craft, High Speed Boat, Navigation items- Marine Generator, Boat (RIB & Inflatable), Compressors (HP & LP), Diving equipments, Breathing apparatus, Navigation Radar, Various Rope, De-Compression Chamber, Oxygen Chamber, Marine Binocular, Pumps (Submersible & Water pump), AC Plant, Power Trolley, Naval Workshop equipments, Gyro compass, Thermal Imaging Camera, Dummy load etc.

Supply to Civil Aviation

- Ground service equipments for airport ground handling.
- Machineries and equipments for passenger and baggage handling.
- Installation of equipments for airport security system.
- Aviation electro-communication equipment.
- Airport Management.
- Airfield lighting system.
- Schedule maintenance checking and spares, repair & overhaul support for Boeing – B737/747/757/767, Cessna- all models, Dash-8, Fokker- F28, McDonnell Douglas- DC9/10.
- Ground power unit, tow tractor, tow bar, vehicles (lavatory, catering, sweeper, handicapped, step, air-conditioning) etc. and spares.

Border Guard Bangladesh (BGB)

- Under Ground Telephone Cables along with the connection With PABX
- Under Ground Telephone Cable of Optical fiber Cable
- Night vision Binocular
- VHF/HF Radio & Handheld Walkie-Talkie Set & battery & Charger its accessories
- Safety Equipment

Bangladesh Police (BP)

- Walkie-Talkie, Battery, Chargers, Locally Float Battery Charger etc.
- Safety and Security items.

Bangladesh Biman/Civil Aviation Authority

- Radio communication equipment & its accessories.
- Boarding Bridges.
- Radar Accessories.
